

## Course Completion Form

Name, first name: \_\_\_\_\_ Supervisor: \_\_\_\_\_

Matriculation number \_\_\_\_\_

Begin of research studies \_\_\_\_\_

Begin of doctoral studies \_\_\_\_\_

### (A) Literature and Methodology Seminar

Two talks (oral progress reports) in internal group seminars have to be attested by the supervisor.

\_\_\_\_\_  
Date Signature (supervisor)\_\_\_\_\_  
Date Signature (supervisor)

### (B) Contributions to Conferences and Workshops

Oral or poster presentations given at national or international conferences and workshops. Two contributions have to be certified by the supervisor.

\_\_\_\_\_  
1. contribution (title of the event and type of contribution) Date Signature (supervisor)\_\_\_\_\_  
2. contribution (title of the event and type of contribution) Date Signature (supervisor)

### (C) 3-Day Scientific Communication Workshop

Presentation and communication workshops (offered e.g. by the RUB Research School). Workshops covering in total 3 days have to be attested.

\_\_\_\_\_  
title/topic of the event Date Signature (GSCB office)

### (D) Modern Aspects of Chemistry and Biochemistry

Regular participation in advanced lectures in chemistry, biochemistry or related fields, workshops or methodology seminars. Attendance has to be attested by the lecturer. Workload should be around 30 contact hours (2 SWS).

\_\_\_\_\_  
1. lecture Date Signature (Lecturer)\_\_\_\_\_  
2. lecture Date Signature (Lecturer)

### (E) Subsidiary Subject Lectures

The subsidiary subject lecture(s) may be chosen from the lectures of the Master programs in chemistry or biochemistry or from other faculties and must cover a volume of 4-6 semester weekly hours (SWS). The chosen subject area must not be too close to the research topic or courses attended in the previous study programs. The selection of courses has to be approved by the examination office (see subsidiary lectures approval form). The course(s) must be concluded with an oral or written examination, which must be passed, but can be either graded or ungraded. Attestation is given by the examiner on the exam protocol sheet, which is forwarded to the GSCB office for filing.

1. lecture	Date	Signature
2. lecture	Date	Signature

### (F) Interdisciplinary Lecture Series

Regular participation in GDCh, GBM, or similar interdisciplinary colloquia. Details of eight lectures have to be stated below.

	Date	Signature (supervisor)
1. lecture	Date	Lecturer
2. lecture	Date	Lecturer
3. lecture	Date	Lecturer
4. lecture	Date	Lecturer
5. lecture	Date	Lecturer
6. lecture	Date	Lecturer
7. lecture	Date	Lecturer
8. lecture	Date	Lecturer
